In this role, you will support the planning and execution of public awareness campaigns and engage with various stakeholders to promote our mission. Responsibilities include coordinating and exhibiting at outreach events, assembling print and digital materials, including social media content. The ideal candidate is a creative communicator with experience in marketing and/or nonprofit communications.

Identify and Coordinate Public Awareness Opportunities

- Identify and attend virtual and in-person exhibiting events that align with Proof's strategic public awareness initiatives and represent Proof Alliance as a leader in FASD awareness.
- Coordinate volunteers to attend Proof Alliance exhibiting events

- Maintain the Proof Alliance online store, which provides public awareness materials to agencies across Minnesota.
- Make recommendations and support the design and procurement of new public awareness materials and merchandise.
- Ensure all print and digital program materials are accurate, up-to-date and aligned with Proof Alliance's messaging and branding.
- Maintain an outreach event calendar, assist in brainstorming partnerships, and sourcing and establishing referral sources.
- Track and report on data collected at public awareness events.

Mobilize Community Partners to Broaden Reach

- Collaborate with public awareness team to identify and support relationships with relevant influencers and other prospective brand ambassadors, partners and stakeholders who can help disseminate our messaging through their networks.
- Work closely with other departments to gather information and create social media and print content that supports their initiatives.
- Assist public awareness team with projects and tasks as requested.

Create Content Aimed at Increasing Awareness of our Mission

- In collaboration with the public awareness team, assist in implementing strategies to increase follower count and enhance engagement across all social media platforms.
- Maintain an organizational content calendar to ensure timely and coordinated messaging across all platforms.
- Plan, create, and publish engaging and informative content for various platforms including social media, blogs, newsletters, websites and print materials.
- Monitor social media accounts, responding promptly to comments, messages, and mentions.
- Track and analyze content performance using analytics tools and provide regular reports to inform strategy and improve engagement.
- Engage with the online community by liking, commenting, and sharing relevant content to foster a sense of community and increase follower engagement.
- Stay current with social media trends, tools, and best practices to ensure the organization remains at the forefront of social media innovation.
