

# Help Create a Healthier, Better World for People Impacted by FASD

Become a sponsor of the 3rd Annual Proof Alliance Caregiver Conference  
May 15 and 16, 2024 • Heritage Center of Brooklyn Center

Support the mission of Proof Alliance by sponsoring the 3rd Annual Proof Alliance Caregiver Conference on May 15 and 16, 2024, at Heritage Center of Brooklyn Center.

We hope that you will be a part of this special event that brings together adoptive, biological, kinship and foster parents of individuals with a known or suspected fetal alcohol spectrum disorder (FASD). Together with other lived experience experts and professionals who support and care for individuals on the FASD spectrum, we will hear the latest information, education and resources, share stories of success and challenges and grow an FASD-informed community of support.

This is the largest gathering of its kind in the United States with over 200 attendees. Sponsors of this 2-day event will have the opportunity to interact with hundreds of attendees, support all event activities and make a bold statement of solidarity with families impacted by an FASD. Your support enables us to host a meaningful and much-needed gathering for families affected by an FASD at no charge to attendees.
